MITE (Ages 5-8) -

This division will consist of players who demonstrate beginner to novice hockey skills.

SQUIRT (9-11) -

This division will consist of players who demonstrate novice to intermediate hockey skills.

PEE WEE (12-15) -

This division will consist of players who demonstrate intermediate to advanced hockey skills.

Each Mite player will be given the opportunity to play goalie in a Mite game. Experienced goalies may be asked to join the division as a skater or join a higher division. This to ensure a fair opportunity for the beginner hockey player to score a goal in a real game situation.
